

# Simon Andersson

## **What do I want to learn or understand better?**

I want to learn more about Spring and the connection with React. I have done many tasks in React but need to understand Spring better.

## **How can I help someone else, or the entire team, to learn something new?**

If someone has a bug they share their screen on discord and I can help them fix the problem.

## **What is my contribution towards the team's use of Scrum?**

I have followed Scrum by having meetings with the group and done tasks from the Trello board

## **What is my contribution towards the team's deliveries?**

I have worked on tasks from the Trello board and helped teammates with some bugs.
